ANTICIPATION GUIDES FOR READING

PDF - Search results, An anticipation guide is a comprehension strategy that is used before reading to activate students' prior knowledge and build curiosity about a new topic. Before reading, students listen to or read several statements about key concepts presented in the text; they're often structured as a series of statements with which the students can choose to agree or disagree., Within this page,the complex processes involved in reading comprehension are divided into three categories (much like the National Reading Panel Report)., Classroom Strategies. Explicit strategy instruction is at the core of good comprehension instruction. "Before" strategies activate students' prior knowledge and set a purpose for reading."During" strategies help students make connections, monitor their understanding, generate questions, and stay focused."After" strategies provide students an opportunity to summarize, question, reflect, discuss ..., Learn why the Common Core is important for your child.
